**RESPONSE TO THE FINAL OFFICE ACTION**

In the final office action dated January 6, 2004, the examiner rejected claims 1, 2, 6-12, 16-21 and 24-28 under 35 U.S.C. 102(b) as being anticipated by U.S. Patent No. 5,913,613 to Ragsdale et al., and objected to claims 3-5, 13-15, 22 and 23 as being dependent upon a rejected base claim. The examiner indicated that claims 3-5, 13-15, 22 and 23 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In response to the examiner's final office action, Applicants submit the following amendments canceling rejected claims 1, 2, 6-12, 16-21 and 24-28 and amending claims 3-5, 13-15, 22 and 23 in accordance with the examiner's recommendations to place those claims in condition for allowance.

The amendments to the claims are reflected in the listing of claims which begins on page 2 of this paper, and remarks begin on page 7 of this paper.
